

Business Upper Austria - Clean Tech Cluster

Business Upper Austria – OÖ Wirtschaftsagentur GmbH, Clean Tech Cluster

The Cleantech Cluster (CTC) is the platform for environmental technology- and energy technology companies in Upper Austria. It strengthens the innovative power, competitiveness and visibility of the partner companies and contributes to market growth in the field of sustainable environmental and energy technologies along the value chain. Together, innovative, ecologically and economically sensible solutions for the present and the future are developed and implemented.
